INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §1.56, the materials listed on the attached form PTO-1449 are being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified patent application. This information disclosure statement lists materials which were cited in the International Search Report (copy enclosed) in related PCT patent application PCT/US03/32138.

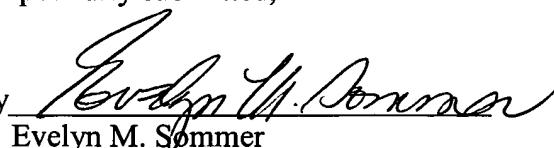

The filing of this information disclosure statement shall not be construed to be a representation that a search has been conducted, nor shall it be construed as an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

It is respectfully requested that the Examiner return a copy of the attached form PTO-1449 with initials or other appropriate marks indicating consideration of the cited materials.

Each item of information contained in this information disclosure statement was first cited in the International Search Report not more than three months prior to the filing of this information disclosure statement. Accordingly, no fees are believed associated with this submission. However, if there is any fee associated with this submission, or to correct a deficiency in fees already paid, authorization is hereby given to charge our deposit account 50-1402.

Respectfully submitted,

Date: May 3, 2004
